S. Comments:Stewards questioned App. J. Orman and trainer J. O'Sing re the performance of the gelding. App. Orman said that he was not issued any specific instructions. Bearing in mind the step up in distance and the expected pace of the event, he stated that the gelding began well and when travelling keenly in the early stages strode forward and was pressured to cross runners to its inside and near the 1300 metres was eased when another runner obtained the lead. App. Orman added that in his opinion the horse will perform better when ridden off the pace.
