Stable representative Mr S. Johnston was told that a warning will be placed on the filly's racing manners and if it performs similarly in future, it will be placed in barrier trials to rectify its waywardness.

S. Comments:When questioned, Jockey said that after being slow to begin he rode his mount along in the early stages, where it never travelled comfortably at any stage of the race. He added that, rather than improve around runners from the 600 metres, he elected to remain racing on the back of those runners and when placed under pressure in the straight his mount went to the line only fairly.

S. Comments:Rider questioned re riding tactics adopted on horse, which raced outside of the leader IMPERIL and applied pressure to that runner resulting in a fast tempo being set in middle stages. Rider explained that NELAMOS has raced best when ridden on the speed but in hindsight was of the view she could have made a greater effort to restrain her mount and take a trail behind IMPERIL. Stewards agreed it would have been more advantageous to restrain and give the horse an easier run to allow the gelding to finish the race off strongly.
