S. Comments:Jumped away awkwardly and then bumped shortly after the start. A post race veterinary examination revealed the horse had sprung its near fore plate and had speedy cuts to its near hind leg. Trainer T. Sears indicated he would have his own veterinary surgeon perform tests on the horse and that he would report back any findings to the stewards. Mr Sears could find no abnormalites and he was subsequently advised that the horse must trial prior to next start.

S. Comments:Apprentice J. He added that the horse travelled well throughout until placed under pressure approaching the 400m where it failed to respond and proved very disappointing. Vetted, no abnormalities.Trainer reports horse will continue its prep, but he will be removing the tongue tie, and seeking a weaker class race for the the future.

S. Comments:Inquiry re performance. Rider S. Bogenhuber stated that the filly began reasonably and after doing some work was able to obtain the leading position. She added that her mount travelled strongly throughout the event, and coming to the home turn she was of the view that the horse was travelling well enough to be competitive over the concluding stages, however when challenged by SEQ THE STAR failed to respond to her riding and commenced to lay in and proved disappointing. A post race veterinary examination of the horse failed to reveal any abnormalities and a swab sample was taken.

S. Comments:Stewards asked jockey D. Browne to comment on the performance of the horse. He indicated after having a favourable run in the field with easy sectionals during the middle stages he was confident when rounding the home turn the horse would finish the race off well, however the gelding failed to respond to his riding and was very disappointing. A post race veterinary examination failed to reveal any significant abnormalities.
