S. Comments:Rider B. Grylls made application to the stewards that her mount had been denied a fair start due to it due to it being held by a barrier attendant as the start was effected, which resulted in the horse losing considerable ground. Stewards established from the starter that a barrier attendant had been requested to attend the mare in the gates, and were satisfied that his actions had not contributed to the mare rearing as the start was effected.

S. Comments:Inquiry re improved performance. Trainer K. Anderson reported that she extended the mare out to 1600m for its previous start and, in her opinion, failed to run out the distance. She added she freshened the mare up and dropped it back in distance today, adding that the mare appreciated today's track conditions. Stewards noted the explanation.

S. Comments:R Wilson questioned re tactics adopted as the horse led in today's event, which is in contrast to the horse's most recent racing pattern.He indicated that this was the horse's first start over more than a 1000m this preparation and as there was a lack of pace in the event and as the horse has had a tendency to be slow to begin at its most recent starts, he instructed S Elbeck to be aggressive in the early stages however, did not instruct her to lead. Mr Wilson was reprimanded and advised that in similar circumstances he would be expected to approach stewards with instructions of this nature.

Questioned re tactics - rider stated instructed to settle at rear of field. Began awkwardly and then commenced to overrace near the 1700m resulting in him being placed wider on the track. From that point he was unable to restrain the gelding which resulted in it leading by a considerable distance, despite his continued efforts to restrain it. Felt this had a detrimental effect on gelding's ability to finish off the race. Stewards advised Apprentice that he should have made a greater effort to maintain his position at the rear of the field near the 1700m.
