Fawke indicated that he had been instructed to ride in a forward position with cover if possible, however when caught wide passing the 1600m he elected to allow the mare to assume the lead and felt that the horse set a steady tempo throughout the race and in his view was disappointing when asked for an effort in the home straight. A post-race veterinary examination revealed no abnormalities. Connections indicated that the horse may be sent for a spell.

slow to begin and he rode it along with vigour in the early stages. He added that approaching the home turn he was unable to improve when held uphowever upon obtaining clear running at the

entrance to the straight his mount failed to respond.M. Dunn stated it was the filly's first

start for his stable and he had expected it would be very competitive. He advised he would add blinkers and remove the t/tie before stepping up in distance. Vet exam revealed a poor recovery rate.

S. Comments: Stewards questioned J. Byrne in relation to the horse's disappointing performance. He said that the horse travelled well throughout the race,

however on a number of occasions during the event wanted to change legs. He could offer no explanation for the performance. A post-race veterinary examination revealed no significant findings. Trainer R. Heathcote was at a loss to explain the poor performance and advised stewards that he would consult with his stable veterinarian and notify stewards should anything come to light that may have had an effect on the performance. S. Comments: Steadied when placed in restricted room on straightening. When questioned as to the overall performance, jockey J. Byrne stated that despite travelling comfortably during the early and middle stages the gelding failed to respond when it was placed under pressure upon straightening and proved disappointing. Jockey Byrne added that he was of the view that the gelding may have come to the end of its current preparation.
