S. Comments:Jumped out at the start and made contact with another runner. Laid in under pressure over the concluding stages. Rider questioned re.

performance, stated that his instructions were to ride forward, however after beginning awkwardly his mount was unable to obtain a forward position and

raced in the second half of the field. He added that his mount travelled comfortably and after placing his mount under pressure approaching the home turn

the mare ran home well.

S. Comments:Bumped at the start. When questioned, K. Yoshida reported to stewards that approaching the home turn it was his intention to shift to the

outside of ON ICE NOW in a three wide position to obtain clear running, however when his mount failed to quicken as he expected, which he attributed to the

horse carrying the top weight today, he elected to shift to the inside in the home straight when clear running presented itself, however the mare ran on only

fairly over the concluding stages.

S. Comments:When asked to comment on the performance of the horse, G. Colless stated that when entering the home straight the horse was travelling well and he was confident in the way the horse was letting down, however approaching the 200m, the horse did not quicken as anticipated and he could not offer any explanation other than to say that as the gelding was having its first run back from a spell, its condition may have given out over the final 200m. A post race veterinary examination of failed to reveal any significant abnormalities.

Apprentice C. Schmidt stated that the gelding wasn't suited when the pace developed into a sprint home over the final 600m, however was disappointing in that it failed to make any ground in the home straight. Trainer J. Crompton advised that the horse will now be sent for an immediate spell. A post race veterinary examination revealed a slower than normal recovery rate.

Rider said after beginning well he rode his mount along in an endeavour to obtain its customary leading position, but when runners drawn to his outside showed superior pace, he had to take a trailing position near the 1000m. He added that shortly after obtaining this position, the mare failed to travel strongly on the bit and was under pressure, proving disappointing. S. Comments:when questioned, trainer Mr S Hodge stated that, whilst stepping up from 2100m at its last start at Gosford on 26 May 2015 when it was beaten for pace early, it was expected over the 3200m today Lovethebeaches would be more forward. He added, although it had not been his instructions to lead, he was surprised that the mare was able to lead by such a substantial margin.

 S. Comments:Rider reported that gelding travelled well until the 600m after which the horse was briefly tightened for room between two runners and then struggled to make ground from that point onwards and was disappointing. Post race vet failed to reveal any abnormalities. Trainer was of the view the pattern of racing on the day did not suit the gelding's style of racing.

S. Comments:App. B Loy stated he was under no specific instructions, other than to take up a forward position on the gelding and, if the tempo was not strong, to assume the lead. He added that he was able to obtain slow early sectionals in the lead but, in retrospect, given the gelding was coming back from 3000m last start, he should have placed his mount under pressure sooner than he did on this occasion.A post-race veterinary examination did not reveal any abnormalities. Stable rep expressed dissatisfaction with the ride in that App. Loy should have placed his mount under pressure sooner than he did.
