He indicated it appreciated the step up in distance to 1600m of today's event, and at the horse's most recent start had been forced to race wide and had hung out after the 600m when improving into the event. He indicated that for this reason he had engaged a left-handed whip rider and was of the view that this had a beneficial effect on the performance.

S. Comments:Rider questioned re tactics, which led to a fast tempo being set in early and middle stages. - rider stated cold had shown early speed at previous start so was instructed to lead if possible. Was of the view that she was going to cross runners to her inside easily near the 900m but one commenced to overrace so she had to press forward in order to obtain a position closer to the fence. Was of the view that this resulted in the colt weakening over the final 200m.
