| S. Comments:Bumped at the start. Stewards questioned apprentice C. Schmidt regarding the tactics adopted today whereby the horse led, which was in contrast to its last start where it settled back in the field. Apprentice Schmidt stated that with the addition of blinkers today on the horse, she was instructed to take up a forward position. She added that the gelding travelled strongly in the early stages and as a result she allowed it to stride forward and settle outside the leader. | | | |

He said he began best and it became apparent early on no runners to his inside appeared intent on leading, so he elected to stride forward and cross to the lead despite his instructions. After doing this he endeavoured to steady the tempo however his saddle shifted forward and as he was reluctant to fight the gelding he felt obliged to let it run along at a moderate tempo in front. | | | |

| S. Comments:Inconvenienced at the start and had to be steadied. Inconvenienced by another runner approaching the 300m. Inquiry re performance. Rider stated she wanted position closer to the lead, But after being interfered with at the start was obliged to steady and position towards the rear of the field. She added it raced raced greenly and was somewhat field shy in the race, adding that in the home straight she was obliged to steady from weakening horses and when afforded clear running to the outside the horse finished the race off well and was doing its best work over the concluding stages. | | | | |
