he did not believe it was in the gelding's best interests to restrain and settle at the rear of the field. When runner forward of him commenced to weaken had to steady from its heels and shift wider to improve into the event. Considering the tough run the gelding had he was not dissapointed with its performance. Post race yet exam did not reveal any abnormalities.

S. Comments: Began awkwardly. When asked to comment on the performance of NAVELINA, App. T Wolfgram stated that the filly travelled well in the early and middle stages of the event but failed to quicken as expected when placed under pressure leaving the 500m. App. Wolfgram noted that NAVELINA was having its first start in 6 weeks and in his opinion is better suited over further distances than that of today's event. A post-race sample was taken. Trainer advised that filly would now be sent for a spell.

Over-raced in middle stages and was held up rounding home turn and early in straight. Dissappointed in finishing effort when failed to sprint after obtaining clear running near 250m. Conceded better suited allowing mare to stride early to maintain lead given steady tempo. S. Comments: Hung in under pressure in the straight. When questioned regarding the riding tactics adopted in the early stages, rider reported that he had no specific instructions and as the horse did not begin well, he restrained to the rear of the field in an attempt to obtain cover. He said the horse initially shifted out in the early part of the straight, which resulted in him changing his whip to his left hand, and soon afterwards the horse shifted in when placed under pressure so over the concluding stages he elected to ride the horse in a hands and heels manner. Stewards noted his explanation.
