**S. Comments:Slow to begin and despite the efforts of its rider trailed the field for the majority of the race. A post-race veterinary examination failed to reveal any apparent abnormalities at the time of examination. Questioned re: disappointing performance - trainer noted gelding is better suited over further distances but was still disappointed as gelding had pleased him in a trial leading into the race. Reported that gelding pulled up well after the race and blood tests had failed to reveal any abnormalities. Would step gelding up in distance next start. Warning placed on uncompetitive performance.**

Rider said was instructed to position back back in the field and after beginning well from a wide alley in order to fulfil instructions he took hold to take a trailing position. He said after the crossing when placed behind other runners near the 600m his mount commenced to race greenly and he had to pressure his mount, and the gelding laid in under pressure in the home straight. He felt it would benefit from the addition of blinkers and stepped up over more ground. Trainer agreed with those, adding it may race in a more forward position next start. He felt that this had a significant effect on the performance. Mr Duncan added that at the start prior to this the horse did not appreciate the firm racing surface at Dalby on 9 August and he felt that this may explain the improvement on the horse. He was also of the view that the addition of blinkers today was beneficial.

I Rabjones stated she had been instructed by the trainer that the gelding can be one paced and that runs its best races when allowed to stride forward and maintain momentum. She added ACHIEVEMENTS had settled well outside the leader and was travelling well within itself leaving the 700 metres, and therefore allowed the gelding to stride forward from that point. Forced wider on the track rounding the home-turn.
