 S. Comments:Jockey L. Dittman was asked to comment on the reason for him leading in today's event. He indicated he had been instructed to settle just behind the pace if possible, however after the horse began well and after travelling a short distance it became apparent he would not be able to secure a position close to the fence and he allowed the horse to stride forward to the lead. These instructions were confirmed by stable representative Mr R. Zielke.

Held up rounding the home turn and in the straight until approaching the 200m when tightened for room and restrained. Inquiry re performance. Apprentice L. Tarrant stated after beginning awkwardly, the gelding overraced and was reluctant to settle at the rear of the field, which was further back than anticipated. He added passing the 600m the gelding was travelling comfortably but after being held up near the 200m, only found the line fairly.

App. Hearn added that it was not his intention to have the horse lead on that occasion as the mare's usual pattern of racing is to settle in the second half of the field. He stated that the same instructions were issued today which from a wide alley he was able to comply with resulting in the mare settling towards the rear of the field.
