S. Comments:Inq re tactics, in particular why he rode forward when the horse has not been ridden in a forward position in its recent starts, and also remaining away from the fence where it appeared he had opportunity to cross to the fence after passing the 850m. Rider said he thought the track closest to the fence was more rain-affected so he wanted to race away from the fence and shift wider entering the home straight. He said the tactics today were the same instructions given at the last three starts, but after not beginning well was positioned further back in the field. Stewards noted the explanation.

S. Comments:Bumped on jumping away. Inquiry re tactics adopted in leading today, which was in contrast to its established racing pattern. Miss Harrison indicated that as horse previously had a tendency to begin poorly, pre-race discussions were had with trainer W. Hulbert and formed the view the horse would be positioned in the second half of the field with cover. However, when it began well she elected to push forward being aware that there was limited speed in the race. Trainer W. Hulbert confirmed they had not expected the horse to lead.
