However, when PUT YOUR HANDS UP improved to inside of FREEPORT he was going to be caught 3 wide so elected to restrain to get cover behind FREEPORT, which resulted in him racing further back in the field than anticipated. 1

Jockey Gray stated that the gelding was off the bit at the top of the straight and he was unable to improve his position as he was concerened with horses shifting ground in the straight racing forward of him. He added that when he was able to find clear running inside the 100m he tested his mount and it finished the race off strongly before being crowded at the finish.

S. Comments: Questioned re: disappointing performance, App. Eilbeck stated gelding travelled comfortably in early and middle stages. Leaving 500m shifted out to improve at which point gelding failed to respond and proved very disappointing. At a loss to explain disappointing performance after it had impressed her at its last start when 2nd first up from a spell. Trainer expressed disappointer in performance and reported it had pulled up well following the event. Thought slow early tempo and sprint home did not suit gelding's style of racing.
