S. Comments:R. Wiggins was questioned regarding his riding tactics and the reason for him shifting to the outside of the heels of SEQUALEX passing the 800m, and soon afterwards applying pressure to his mount and sustaining that pressure from the 600m. Jockey Wiggins stated that his mount has shown an inclination in the past to hang in when ridden behind runners and for this reason he improved to the outside of SEQUALEX and similarly to when it was successful at its most recent start, he commenced to ride forward from the 600m. S. Comments:Questioned re tactics adopted - rider stated intention was to take up a position just off the speed however the gelding blundered on jumping.

Rider noted gelding slow to begin in its jump outs leading in to today's race. Rider added after travelling a short distance elected to restrain to obtain a position in behind TWILIGHT PRINCESS but shortly afterwards obliged to ride gelding along during middle stages to maintain position. Rider further added once able to obtain clear running in home straight gelding finished the race off well.

S. Comments:Rider stated he was instructed to put the horse in a forward position, however after urging his mount forward out of the barriers, it did not muster speed and, in his view, was not comfortable in the rain affected conditions. He added that from the 600m, the horse hung in, causing him to put the whip in his right hand shortly after entering the home straight. Despite this, the gelding continued to lay in under pressure and was doing its best work over the concluding stages.
