Having ridden the gelding trackwork she was reluctant to overly restrain it, once obtaining the lead, as she was concerned that it would drop the bit and then fail to respond when placed under pressure later in the event. Stewards advised App Payne that once obtaining the lead near the 1000m she should have made a greater effort to restrian the gelding so as to give it every opportunity to finsh off the race to the best of its ability.

Passing 800m became concerned with amount of ground lost on remainder of field and commenced to ride mare along, at which point it improved into race and then finished the race off well. He stated that after having a comfortable run throughout and travelling strong up to a point near the 600m, the gelding failed to respond to his riding and proved disappointing in its finishing effort. Trainer S. Barling advised that he was expecting a forward showing today, although he was not surprised given the gelding's inconsistent form, however he was still disappointed with the gelding's performance.
