S. Comments:Questioned re tactics - rider instructed to take up forward position, as mare was up in distance, allowed leader to cross forward of him near the 900m. Over-raced in middle stages and was held up rounding home turn and early in straight. Disappointed in finishing effort when failed to sprint after obtaining clear running near 250m. Conceded better suited allowing mare to stride early to maintain lead given steady tempo. Trainer confirmed instructions and given mare's racing manners felt it would be better suited when able to lead. Vet exam - no apparent abnormalities.

S. Comments:Trainer B. Wakefield stated no specific instructions issued to the rider other than to seek cover and attempt to race midfield from its wide barrier being the gelding's first start over this distance. Rider B. Grylls said her mount raced keenly early and she was unable to place it in a position with cover and elected to race near the tail of the field. She added that when the pace steadied near the 1300m the gelding settled and from that point on she had a trailing position, however she was forced to race wide after leaving the 600m. The explanation was noted.
