S. Comments:Inquiry re tactics, particularly the reason for leaving a trailing position passing the 1300m and as a result racing 3 wide from that point. Jockey Londregan explained at that stage of the race the tempo slowed and when he was travelling behind LITTLE BOMBER, which was second-up from a spell over 2240m today, he decided to shift wider on the track and improve forward. He further added as BIGMORDRIVE is one-paced he had specific instructions to make a run from the 1000m, so he did feel his decision to move 3 wide was detrimental to the horse's chances. Stewards noted his explanation.

He indicated that the horse was slow to begin and he was forced to ride his mount further back in the field than he would have liked and was also obliged to pressure the horse from the 700m and despite this the horse responded to his riding over the final 300m and was doing its best work over the concluding stages. S. Comments:Near the 300m attempted to improve but was prevented from doing so when another runner shifted in and made contact. Then obliged to check and alter course to obtain clear running.

S. Comments:Slow to begin.B. Stewart indicated he had been instructed to ride the horse in the second half of the field and as a result took hold out of the barriers. He then had to pressure the horse in the early stages to remain in contact with the rest of the field and felt then that the horse travelled well until being asked for an effort rounding the home turn, however the horse did not quicken as he would have liked, however over the final 250m the horse was doing its best work, and he was obliged to steady over the concluding stages after improving on to heels.
