S. Comments:Had to be steadied from heels rounding the home turn. When guestioned regarding the horse's above market expectation performance, trainer B. Dowden indicated that as he has only had the horse for three runs prior to today, he has been satisfied with the way in which the horse has been performing, given that he believes the horse is not suited to racing over 1200m. He advised that he felt that a step up in distance would be appreciated and he also advised that the horse would improve further when stepped up to 1600m. He indicated that he was not surprised by the forward showing today.
