Cahill reported that he had been instructed to make a run wider on the track around horses if possible, which he attempted to fulfill after passing the 600m. He indicated that the horse did not travel comfortably throughout the race, did not respond to his riding rounding the home turn and felt that that the horse was disappointing. Trainer C. S. Comments:Jockey J. Mallyon explained that the horse, which was having its second start today, was drawn awkwardly and due to a number of runners drawn inside having early speed, he made the decision to restrain in the early stages and race in a rearward position. He said after doing so the tempo in the middle stages was then moderate, and as his mount raced wide. When the leader quickened the horse was unable to muster speed and only finished one paced. He was of the view the filly would be better suited with more racing and settling in a more forward position and over much longer distances than that

S. Comments:D. Browne could offer no explanation for the horse weakening badly in the home straight. A post-race veterinary examination revealed no significant findings. Trainer S. Kendrick was advised that the horse must compete satisfactorily in an official barrier trial prior to racing again.Trainer S. Kendrick reported that Our Racketeer had been x-rayed and found to have bone chips in the off-side knee. The horse will have corrective surgery performed prior to being sent for a spell. Stewards advised Mr Kendrick that a veterinary certificate will be required prior to its next race start.
