S. Comments:Stewards questioned B. Panya regarding the tactics adopted and the performance of the horse. She indicated that after riding the horse forward, as is the horse's racing pattern, she initially intended settling to the outside of DANDOG, however when her mount raced keenly she elected to allow the horse to stride passing the 1000m in an attempt to cross that horse, however DANDOG continued to hold its position to the inside, and whilst her mount did settle somewhat when approaching the 600m, the gelding was immediately under pressure passing the 400m and was disappointing in the run to the line.

S. Comments:When questioned regarding the horse's performance, J. Byrne stated that after having a favourable run, the horse was then shifted out near the 400m to improve into the race, however failed to respond and was disappointing. He added that the gelding may be better suited on a firmer surface than that of today. Trainer B. Ahrens advised that he felt that the horse does not handle rain-affected conditions and has previously not raced well at this venue. He was of the view that these two factors may have had a detrimental effect on the horse's overall performance.
