pace was only steady in the early stages. He added that runners then improved around the field during the middle stages and he settled further back in the

field than he would have liked. When rounding the home turn he improved into clear running, however the horse was very disappointing in the straight and

failed to finish the race off. A post race veterinary examination failed to reveal any significant abnormalities. Trainer S. Kendrick advised he

He indicated that, in his opinion the overall performance was disappointing and that he had expected to settle at the tail of the field as the mare has a history

of being slow to begin. He indicated this was the case after suffering interference on jumping. He added that he had considered improving to a position

She stated that approaching the 1200m she did not wish to have to pressure her horse to hold the lead when HIDDEN GOLD improved to her outside so she elected to steady and allow that runner to cross. She added that shortly thereafter RED CHANDELIER improved to a position inside her heels and she was obliged to settle in the position one off the fence. Stewards noted the explanation.

Whilst it was established that after passing the 400m a run had presented itself to the inside of STAR OF COLUMBIA, that horse weakened significantly and shifted in at a point near the 350m. This resulted in CAPE DENISON being disappointed for a run to the inside of that horse shortly after and caused apprentice Lacy to check the mare. Stewards could not attribute any blame to any rider and took no further action. Apprentice S. Lacy reported the horse had a minor laceration to the off foreleg post race.

S. Comments:Began awkwardly and lost ground. Steadied from the heels of a tiring runner approaching the 400m. When questioned regarding the tactics adopted in the home straight as to why he did not take an available run to the inside near the 200m, apprentice M. Schrapel advised that initially he committed his mount to the outside and by the time he was able to change course to the inside the run was closing and he did not feel it was safe to pressure his mount to improve into that position. Stewards noted the explanation.
