Spinks was questioned regarding the horse's disappointing performance. Jockey Spinks stated that after losing ground at the start he contemplated settling towards the rear of the field, however as the speed was only slow in the early stages he elected to improve forward to obtain a forward position as instructed. He added that after travelling well in the middle stages the gelding was under immense pressure from the 700m and proved disappointing.

S. Comments:When questioned regarding the disappointing performance, apprentice L. Tarrant explained that when obliged to race wide in the early stages he allowed the horse to stride forward, which, in his opinion, did not suit his mount as he was of the view it is better ridden with cover. Trainer T. Hall agreed with these comments, and undertook to report back to stewards any abnormalities that may come to light which may explain today's performance. A post race veterinary examination of the horse, which compounded badly in the home straight, failed to reveal any significant abnormalities.
