Kendrick confirmed his disappointment in the performance and was accepting of the fact that the horse was not entirely suited to the distance, however was concerned that the horse could not muster any early speed and stay in touch with the main body of the field. S. Comments:M. Morris was questioned regarding the tactics he adopted on entering the straight whereby he shifted his mount out, allowing runners to improve to his inside. Jockey Morris explained that after observing the first race he noticed that the winner raced three wide in a 9 metre position, therefore on entering the straight he elected to shift out into that position, which in his opinion has been beneficial to other runners in the past.

S. Comments:Bumped heavily at start and became unbalanced. Near 1100m checked after improving onto the heels of DEEP LEAD. Rider questioned re performance - stated after receiving interference at start was unable to take up a forward position as anticipated. Added attempted to comply with instructions and improved forward however, filly failed to show necessary speed and instead of being caught wide elected to obtain a position with cover towards rear of field. Added filly ran on fairly over concluding stages and in his opinion would appreciate a step up in distance. Vetted - no abnormalities.
