S. Comments:Stewards questioned jockey M. Cahill and trainer T. Haydon regarding the apparent change in tactics as the horse was ridden in the lead in today's event, which was in contrast to the horse's recent training pattern. Jockey Cahill explained that he had not been issued specific instructions as to where to position the horse, however had been advised should he be found in the second half of the field he should be looking to improve his position to be closer to the lead when rounding the home turn. S. Comments:When questioned by Stewards regarding the filly's improved performance, Trainer Mr. B. Andrew advised that at its most recent start at Gatton the horse was forced to race wide which he felt was to its detriment. He added that as the filly has a history of hitting itself, corrective shoeing was undertaken on the filly by way of the addition of tips, which Mr. Andrew also felt was a contributing factor to the filly's improved performance. Stewards noted the explanation.

S. Comments:After improving into a tight run inside CAILINI, was restrained from heels near the 600m and lost ground. From that point onwards was held up and unable to improve and had to be restrained on a number of occasions until passing the 150m, and was then obliged to alter course again near the 100m to obtain clear running. Stewards questioned jockey B. Stewart regarding his riding from the 600m. He indicated, with hindsight, he would have remained further to the outside, which would have afforded his mount clear running earlier in the home straight. He explained that he felt it would be a better op

He said he had expected a forward showing in today's event as he had anticipated the track having more give than at its two most recent starts. He added that the horse has performed well previously racing on similar surfaces. He further added that the gelding was able to obtain the lead without being challenged today and he believed this was also beneficial to the horse's chances. He said he had supported the horse as he believed that having a 3kg claiming apprentice was also a significant factor.
