S. Comments: When guestioned regarding his riding Jockey said that after being slow to begin then crowded he elected to ride his mount at the tail of the field with cover, where it travelled only fairly throughout. He added that rounding the home turn he placed his mount under pressure in an attempt to follow the eventual winner, however at this point his mount did not respond, and for this reason he desisted from applying pressure in the early part of the straight. Said that when again placed under pressure approaching the 100 metres his mount then responded and ran to the line strongly.

S. Comments:Bumped on jumping. When questioned regarding the performance of the mare Jockey stated that his mount pulled hard in the early stages and passing the 800m he elected to stop fighting the mare and allow it to travel how it was comfortable. Jockey stated that rounding the home turn his mount failed to respond to pressure in any capacity and was very disappointing in its run to the line. A post race veterinary examination of the mare failed to reveal any abnormalities.

S. Comments: When questioned regarding the disappointing performance Apprentice said instructions were to lead, as per established racing pattern. She said that after beginning well she was able to obtain the lead, and although another runner improved to her outside, the gelding travelled comfortably, however was disappointing from the 600 metres. Trainer advised that the gelding would not race beyond 1000 metres in future and would advise if any abnormalities were revealed in coming days.

In Running: /5/5 S. Comments: Passing the 1400m had to be steadied when momentarily tightened for room. When guestioned regarding the performance, Jockey explained that he had been instructed to ride the gelding in a forward position, in accordance with its established race pattern. He said that when the pace quickened he was only able to maintain a midfield position, where his mount travelled fairly throughout, however when placed under pressure in the straight failed to respond to his urgings and was disappointing.
