S. Comments:Approaching the 200m shifted out under pressure. When questioned regarding the poor performance Jockey said that she had to make some use of her mount in the early stages to obtain a position closer to the running rail, rather than be caught wide, however even allowing for this, she said her mount was disappointing and weakened from the 200 metres. Jockey added that in her opinion the gelding did not appreciate the quick back-up after Saturday's race. A post-race veterinary examination did not reveal any abnormalities.

Rundle explained that the instructions given today were the same as at its most recent starts, that is to place the horse under pressure for first 200 metres, attempt to go forward and obtain cover. App.N. Summers confirmed her instructions; however in an attempt to comply, her mount commenced to over-race and refused to settle.
