S. Comments: Tightened for room at the start. On returning to scale apprentice rider reported that the filly travelled comfortably throughout the middle stages however when placed under pressure from the 400m, the filly failed to quicken as she had expected and proved somewhat disappointing over the concluding stages. Trainer advised that in light of the performance today he might now consider sending the horse for a spell.

S. Comments:Laid in from the 500m until the early stages of the home straight. On returning to scale apprentice E. Ljung reported that after being caught wide in the early stages when racing on the speed in a fast run race, she elected to restrain her mount to a position closer to the rails passing the 800m. She added that from this point the filly did not travel strongly and lost some ground on the leaders, however ran on fairly in the home straight despite laying in.

S. Comments:When questioned regarding the disappointing performance, H. Bowman stated the gelding travelled well in the run, and after he shifted to the outside of Falklands, his mount did not respond as he expected, and in his view, its action did not feel right. A post race veterinary examination of Angelican did not reveal any abnormalities. Trainer representative, Mr J. Cummings, stated that Angelican had a particularly hard run at its last start at Canterbury on 11 January, and in his view, may still be feeling the effects of that run.
