In Running: /3/2 S. Comments:Rider questioned re disappointing performance. She said after being caught wide in the early stages she was forced to work up the hill to enable her mount to cross to a position closer to the rails, which she felt was to its detriment, however when placed under pressure over the concluding stages the gelding failed to run on and proved disappointing. Thr said the horse has a history of racing poorly when unable to obtain cover in its races, which he felt was a major contributing factor to the performance. Vetted, no abnormalities.

S. Comments: Bumped heavily by another runner in the early stages of the event on a number of occasions. Stewards questioned apprentice B. Stower in relation to the seemingly disappointing performance of EXTRA SHOT. Apprentice Stower advised that the gelding failed to muster its customary early pace and as a result she was required to ride the horse along in the early stages to obtain a forward position. She added that when placed under pressure in the home straight the gelding failed to respond to her riding and proved disappointing.

S. Comments: Rider advised that after being caught wide in the early stages, he was forced to pressure his mount more than he wanted to obtain its customary forward position. He added that the mare travelled comfortably in the middle stages, however when placed under pressure proved disappointing. Trainer expressed some disappointment in the performance, but did advise that given the work the horse was forced to do in the early stages and that it was 5 weeks between runs, it would derive a fitness advantage from today's run and he will continue with its preparation. Vetted post-race, no abnormalities.
