Manrose Hattan 56 1, 8.80 LEN, 1-14.28 36.65 **In Running: /7/7**

S. Comments:Slow to begin and lost ground after standing awkwardly in the barriers. Bumped heavily with another runner near the 900m. When questioned as to the disappointing performance, apprentice M. Schrapel advised that after being slow to begin, in his opinion the horse failed to handle the track conditions tonight and also did have a tendency to lay in throughout the event, which was to its detriment. A post-race veterinary examination revealed no abnormalities.

Kropp stated that whilst the horse has only had three starts for his stable, he had elected to make significant gear changes of removing the blinkers and tongue tie off the gelding for this start, and he attributed the improved performance to these changes. Stewards noted the explanation, but nonetheless advised Mr Kropp they would expect the horse to hold its form.

When questioned in relation to the improved performance, trainer advised that at the gelding's first race start on 26 September 2015, after being slow to begin the gelding was forced to race very wide throughout the event, which he felt was a major contributing factor to the horse's performance on that occasion. He went on to advise that the gelding had worked well in preparation for today's event and as such expected a forward showing today.

S. Comments:Rider advised that after being caught wide in the early stages, he was forced to pressure his mount more than he wanted to obtain its customary forward position. He added that the mare travelled comfortably in the middle stages, however when placed under pressure proved disappointing. Trainer expressed some disappointment in the performance, but did advise that given the work the horse was forced to do in the early stages and that it was 5 weeks between runs, it would derive a fitness advantage from today's run and he will continue with its preparation. Vetted post-race, no abnormalities.

S. Comments:Rider questioned re disappointing performance. She said after being caught wide in the early stages she was forced to work up the hill to enable her mount to cross to a position closer to the rails, which she felt was to its detriment, however when placed under pressure over the concluding stages the gelding failed to run on and proved disappointing. Tnr said the horse has a history of racing poorly when unable to obtain cover in its races, which he felt was a major contributing factor to the performance. Vetted, no abnormalities.
