Rider stated leaving 500m was concerned ONE GREY, which was racing forward of him, was going to be taken wider by CANTBUYBETTER and was reluctant to improve to outside of that runner. Rider added approaching 400m he was aware ROYAL OCCASION had improved to his outside and was therefore unable to shift wider without causing interference to that runner. As a consequence was then held up for clear running upon straightening.

S. Comments:Began awkwardly and lost ground. Rider reported that when allowed to settle in a position in the second half of the field the mare in her opinion did not travel well and it was her view that the horse may be suited to settling in a position closer to the lead. A post race veterinary examination of the horse, which was making an abnormal respiratory noise failed to reveal any significant abnormalities. Trainer advised he would have his veterinary surgeon examine the horse.Trainer subsequently reported that the mare was vetted and scoped upon return to his stables with no abnormalities detected

S. Comments:Connections advised that from the inside barrier the horse would be ridden more positively today. When questioned regarding the horse's disappointing performance, apprentice Ljung advised that the mare never travelled strongly throughout the event and when placed under pressure from the 600m proved disappointing. She added that in her opinion the mare raced flat today and may have come to the end of its preparation. A post-race veterinary examination revealed no abnormalities. Trainer K. Kemp advised that following tonight's performance, the horse would be spelled immediately.
