Rider reported that her instructions were to allow the horse to stride forward in the early stages and obtain a lead over the rest of the field before allowing the horse to settle comfortably in the middle stages. Trainer confirmed the instructions. As this was in accordance with the horse's regular racing pattern, Stewards noted the explanation and took the matter no further.

Orman indicated he had been instructed to attempt to take up a trailing position behind the leaders, however from the wide alley and the horse having its first start in blinkers, he unable to do so and was caught wide. He added that his mount raced greenly and despite this finished the race off well and was doing its best work over the concluding stages.

S. Comments:Inquiry re performance. Rider advised that after being ridden along early she was able to obtain a good position, but the horse only travelled fairly throughout. She said from the 500m her mount commenced to yield ground but ran on fairly in the home straight and, in her opinion, performed disappointingly. Vetted and found to be suffering from cardiac arrhythmia. Trainer was advised that a veterinary certificate must be provided to stewards, including the results of an ECG, together with a satisfactory trial prior to its next race start.

Leaving 500m shifted out to improve at which point gelding failed to respond and proved very disappointing. At a loss to explain disappointing performance after it had impressed her at its last start when 2nd first up from a spell. Trainer expressed disappointment in performance and reported it had pulled up well following the event. Thought slow early tempo and sprint home did not suit gelding's style of racing.
