He explained that whilst he had expected to take up a forward position, Nissile overraced with him and brushed the running rail near the 1000m. He added that, although he again went for a hold on Nissile in an attempt to restrain the gelding, Nissile continued to overrace and, although he was aware of the quicker than average tempo, his mount failed to come back underneath him.

S. Comments:Slow into stride. When questioned regarding the horse's performance, apprentice J. Guthmann-Chester stated after receiving instructions he expected the gelding to show early speed, however after beginning well the gelding was unable to muster early speed, but once placed under pressure leaving the 600m, commenced to find the line well and in his opinion will be much better suited over a longer distance than that of today's event. Stewards noted the explanation.
