S. Comments:Rider questioned re tactics adopted - stated filly began well and elected to steady as he did not wish to be placed in a speed battle with other runners. However, when UMBERTO crossed him at 1100m he had intended to sit outside that gelding but was prevented from doing so and was forced to race behind the leaders until the entrance to the straight. Added in his opinion filly is looking for a further distance than today's 1350m and did not quicken as he had expected. Vetted - no abnormalities.

S. Comments:Rider questioned re tactics and overall performance. He said after being fractious in the barriers the filly led the event without being overly pressured. He said after RUBY RED HEART crossed to his outside, the filly was under pressure and approaching the home turn he felt he was on a beaten horse. He believed the horse made an abnormal respiratory noise during the event. Tnr could offer no excuse for the disappointing performance but would consider adding a tongue tie to the horse's gear. Vetted, no abnormalities.

S. Comments:Began awkwardly, lost ground and as a result settled further back in the field than anticipated. When questioned as to the horse's seemingly disappointing performance, J. Lloyd advised that the horse is best suited when able to lead in its races or when racing to the outside of other runners and for that reason, in his opinion, the horse missing the start and being forced to obtain inside runs in the home straight were the major contributing factors to the horse's poor performance today. Stewards noted the explanation.

S. Comments:Rider questioned re tactics upon entering home straight particularly as there was an opportunity to improve to the outside of ICE BUCKET - stated instructed not to expose gelding too early and to maintain cover for as long as possible as gelding only has a short sprint. Trainer confirmed instructions however after viewing video conceded it would have been a better option to come to outside at entrance to straight. Explanations noted.

S. Comments:Had to be steadied and checked off heels approaching the 1300m when tightened for room and tehn shortly after overraced when the pace slackened. When questioned regarding the tactics jockey J. Byrne explained that he steadied after being slightly hampered in the early stages he got shuffled back to a rearward position with the slow tempo. He added that at a point passing the 800m no opportunity arose for him to improve on the back of another runner and therefore he elected to wait and not expose his mount too early. He added that gelding ran on well over the concluding stages.
