Orman indicated that despite being wide he was comfortable with how the horse travelled, however when placed under pressure the horse failed to respond and became very awkward in its action, weakening badly in the home straight. A post-race veterinary examination revealed no significant findings. Trainer S. Stewards advised him that if there was no veterinary explanation for the performance, the horse would have to trial before next start. Orman indicated that despite being wide he was comfortable with how the horse travelled, however when placed under pressure the horse failed to respond and became very awkward in its action, weakening badly in the home straight. A post-race veterinary examination revealed no significant findings. Trainer S. Kendrick indicated that he would have an endoscopic examination performed on the horse and advise stewards of the findings. Stewards advised him that if there was no veterinary explanation for the performance, the horse would have to trial before next start.

 S. Comments:Bumped on jumping away. Approaching the home turn was buffeted when racing in restricted room when SIR ROTHEWAY shifted out slightly.
 When questioned regarding the performance of the horse, jockey A. Allen stated that the horse never travelled well at any stage of the event and, in his opinion, may not have handled the soft track conditions today. A post race veterinary examination failed to reveal any significant abnormalities.
