S. Comments:After being caught wide in the early stages, Apprentice Z. White permitted her mount to stride forward to obtain the leading position passing the 1000m. Apprentice Z. White could offer no explanation for the seemingly disappointing performance other than that the gelding had been inclined to overrace which may have been detrimental to its finishing sprint. A post-race veterinary examination of the gelding revealed no apparent abnormalities.

When asked to comment on the performance, App. A. S. Comments:When questioned regarding the horse's seemingly improved performance, connections advised that at its previous start at Texas the mare did not appreciate the firm track on that occasion and had jarred up. They added that the mare was suited by today's bigger track and the step up in distance and that a forward showing was expected. They further added that the horse will now be sent for a spell. The veterinary surgeon reported that the mare was showing signs of soreness in its near fore foot post-race.
