S. Comments:Rider questioned regarding her riding of HEAVENLY GLASS in the first 150 metres and also her reasons for shifting out abruptly and moving wider on the track leaving the 500 metres. App Philpot stated HEAVENLY GLASS began awkwardly and as a consequence lost contact with the main body of the field. She added leaving the 500 metre the mare improved into the race strongly and rather than being caught on heels of runners forward of her she elected to shift to the outside and wider on the track. she was advised to show greater urgency in obtaining a position in the early stages of a race.

Jockey Taylor advised she was attempting to fulfil instructions of which she had been told if her mount was not able to lead she would be expected to make a run from the 800m as the gelding can maintain a long run and does not possess a quick sprint. S. Comments:Rider questioned re disappointing performance. She said from the wide barrier she rode the mare forward early to obtain a forward position, but after being caught wide early, she restrained near the 900m and obtained a midfield position. She said from passing the 700m the mare came off the bit and then ran on only fairly and proved disappointing. Trainer K. Kemp, whilst acknowledging the mare was a little disappointing, said in hindsight, at this stage of its preparation, it may not have been entirely suited by dropping back in distance tonight. Stewards noted the explanations.

S. Comments:Raced wide throughout. When questioned regarding the disappointing performance, apprentice R. Williams reported that after racing ungenerously in the early stages, she elected to shift wider and when placed under pressure the gelding did not respond to her riding. Apprentice Williams also reported that the gelding's breathing seemed laboured in the later stages of the event. A post-race veterinary examination revealed no abnormalities.
