S. Comments:Stewards questioned J. Dann regarding the horse's improved performance in comparison to its most recent start. Mr Dann indicated that in his opinion the horse's form had been good prior to last start, where on that occasion the horse suffered minor interference near the 900m and was obliged to race wide throughout and was forced wider on a number of occasions after passing the 700m. In his view, these factors had significantly affected the horse's overall performance and he had expected a more forward showing in today's event.

When questioned regarding the horse's performance, rider K. Yoshida stated that this was the first occasion that the horse had worn blinkers and as a result it tended to overrace in the early and middle stages, which was a telling factor on the horse's finishing performance. A post-race veterinary examination revealed no abnormalities.
