S. Comments:Bumped at the start. When questioned regarding her riding from approaching the home turn, apprentice R. Payne stated she raced in restricted room rounding the home turn and when a run became available near the 200m, her mount shifted out when attempting a run resulting in her having to straighten her mount before placing it under pressure. She added that while the gelding made up ground in the straight, it did race flat and failed to show its customary sprint at the finish.

He said having watched the previous races he believed the better going was 5 or 6 wide in the straight so he shifted wider rounding the home turn to obtain that position. Stewards noted his explanation, but advised him it would have been more advantageous to hold a position closer to the rail and then on straightening shift wider on the track to that part of the track which he believed to be superior going.
