S. Comments:When questioned apprentice stated that approaching the crossing near the 700m his mount blundered resulting in him becoming unbalanced and the saddle shifting to the near side which placed him at a disadvantage. Shortly after this he said his mount then commenced to hang out and was awkwardly placed on heels rounding the home turn and had to be steadied. He added that after becoming awkward on heels and whilst being unbalanced in the saddle he lost use of his irons which placed him at distinct disadvantage for the remainder of the race.

S. Comments:For some distance in back straight made contact with another runner on a number of occasions. Stewards considered an objection lodged by Jockey of second placegetter alleging interference in the home straight. After taking initial evidence Jockey made application to withdraw the objection however as stewards believed that the hearing was warranted the application was denied. On the evidence it was established that over the concluding stages gelding shifted out towards second placegetter for a considerable distance however both horses had an unimpeded run to the finish. Protest dismissed.
