Comments:Improved onto heels near the 200m and was forced to shift out wider on the track. Rider questioned re disappointing performance - Rider explained that the instructions were to be in a forward position and after obtaining a position on the fence added that the gelding failed to handle the kickback and as a result had a tendency to hang out. He further added that after pressuring the gelding from a point near the 600m, he was unable to make up the necessary ground on the tight turning track and proved disappointing. A postrace vet exam failed to reveal and significant findings.

Hung out throughout and raced in a four wide position until reaching a point near the 550m, raced in a three wide position with cover until entering the home straight. When questioned in regards to the riding tactics adopted on Madam Auberge, apprentice B. Newport state it was his intention after jumping well to obtain a forward position, however after not improving as anticipated, he elected to restrain the filly near the 600m to obtain cover.

Merritt stated the mare failed to respond to his hard riding in the early stages whilst endeavoring to lead the event and as a result settled further back in the field than he anticipated. Jockey Merritt added that in his opinion that was a major contributing factor to the disappointing performance and also added the mare failed to handle the tight turning track.
