Was of the view the runner forward of him would cross to the fence so pushed forward to sit outside it but it was unable to do so which resulted in him racing 3 wide in middle stages. S. Comments:Apprentice L. Dittman reported that after travelling well to the home turn outside the lead he thought the horse was a competitive chance in the race, however when asked for a response, weakened badly in the home straight and felt the horse may have been awkward in its action in front. A post-race veterinary examination revealed no significant findings.

S. Comments:Shifted its off hind plate in the enclosure. After receiving farrier attention behind the barriers was cleared by the veterinary surgeon to start. Stewards questioned Jockey T Harrison into the seemingly disappointing performance. Jockey Harrison stated that the horse travelled well throughout and when placed under pressure failed to respond and proved most disappointing. Trainer B Baldwin stated that despite having performed well on rain affected tracks previously, the mare failed to handle today's prevailing track conditions.

S. Comments:Questioned re: tactics - rider stated instructed to take up a forward position however, when runner to his inside he was reluctant to press forward as he was concerned that his mount may commence to overrace. He therefore allowed the horse positioned wide of him to cross forward of him as his gelding was having its first start over 1800m. The gelding then failed to quicken when placed under pressure leaving the 600m and in his opinion raced flat. Post race vet exam failed to reveal any abnormalities. Stable representative stated that the gelding is better suited when able to lead.

Therefore reluctant to shift wider to improve as he thought he would be taken wider rounding the home turn. Waited for that horse to shift out which it did near 400m. Attempted to improve inside of that horse however leader on fence shifted out at same point and was disappointed for that run and was held up until entering the home straight. S. Comments:Questioned re tactics: rider stated he was instructed to obtain position with cover. Gelding over-raced early stages so allowed to stride forward to sit outside leader near 1400m. Attempted to restrain to sit off leader in middle stages but that horse continued to race to his inside resulting in his horse over-racing in the middle stages which prevented him from restraining it any further. Stewards advised him that he should have made a greater effort to restrain the gelding in the middles stages so as to sit off the leader and give his mount every opportunity of finishing off the race.
