When afforded the opportunity to comment on the performance of the horse, rider T. Bell stated that after travelling 3 deep for the majority of the race the filly raced greenly, and after applying the whip near the 300m his mount shifted in abruptly and had to be steadied to avoid heels. He added that he advised connections that a step up in distance may benefit the filly in future starts. A post race veterinary examination failed to reveal any significant abnormalities.
