Krogh said that after beginning poorly and mustering speed, he elected to come wide leaving the 600m, however he felt that the horse was under pressure from that point and he felt the horse did not appreciate the tight turning track. It was also noted that nearing the home turn it was bumped by another runner. Jockey Krogh felt it was disappointing and he was of the view the horse performs best when able to lead or be in a forward position.

Rider Adam Spinks reported that his mount failed to muster speed from the wide gate and failed to respond to his riding from the 600m. A post-race veterinary examination determined that the mare had dislodged its synthetic hoof filler which may have had a bearing on the performance. Jockey Spinks also reported that the mare may not have appreciated the firmer surface today.
