S. Comments: Trainer questioned re the riding instructions. His instructions were to settle back early and then find the line. Jockey told stewards that he settled back in the field and however was positioned wider than he wished. He added he held up behind another runner when starting his run. He added that on straightening he gave the horse several hits with the whip and got into second place however at 100m he felt OGGIES run had ended. He then felt that he could not catch the leader and was holding down 2nd place easily so he did not continue riding the horse with the whip to the line.
