S. Comments:Stewards considered an objection lodged by third placegetter against gelding, alleging interference in the early part of the home straight. After taking evidence from the parties concerned viewing official video films and taking into account their own observations it was established that shortly after straightening third placegetter established a run to the inside of gelding, which then shifted in abruptly and hampered third placegetter. Bearing in mind the margin of a short half head and the manner in which both horses ran to the finish, stewards upheld the objection and amended the placings.

Stewards considered an objection lodged by Jockey of second placegetter alleging interference in the home straight. On the evidence it was established that over the concluding stages gelding shifted out towards second placegetter for a considerable distance however both horses had an unimpeded run to the finish. Protest dismissed.
