S. Comments:When questioned regarding the improved performance of the gelding Trainer said that the only explanation he could offer was that after the gelding's most recent run it had undergone dental treatment and the extraction of a tooth. He said that the gelding had benefited from the administration of that dental treatment. Trainer was reminded of his obligation to notify stewards of any occurrence that may affect a horse's performance.

S. Comments:Reared as the start was effected striking its head on the barrier crossbar losing considerable ground. A post race veterinary examination revealed the gelding had sustained minor lacerations to its forehead. Raced wide majority. Trainer will be advised that a warning will be placed on the geldings barrier manners.
