S. Comments:Blundered shortly after the start. Stewards q'd in re poor performance. Jockey stated that after blundering and losing ground was forced to place mount under pressure from this point. Jockey further added that the gelding resented the kickback and never travelled comfortably and proved dissappointing. Trainer added that the gelding tends to race on the speed and as a result of racing back in the field proved detrimental.

In the straight BLUE JEST shifted out further. An initial post-race veterinary examination did not reveal any abnormalities; however a subsequent examination revealed that the gelding had bruising of the nearside cheek.

S. Comments:Improved onto heels near the 200m and was forced to shift out wider on the track. Rider questioned re disappointing performance - Rider explained that the instructions were to be in a forward position and after obtaining a position on the fence added that the gelding failed to handle the kickback and as a result had a tendency to hang out. He further added that after pressuring the gelding from a point near the 600m, he was unable to make up the necessary ground on the tight turning track and proved disappointing. A post-race vet exam failed to reveal and significant findings.
