Comments:Rider questioned re disappointing performance, rider said after beginning reasonably he rode his mount along in the early stages in an endeavour to obtain a forward position, however the gelding failed to display sufficient speed and when crossed by other runners settled further back than anticipated and never travelled for the remainder of the event and in his opinion was disappointing. A post-race veterinary examination revealed mild lameness in the off foreleg. Trainer L. Hatch was advised that he will be required to produce a veterinary clearance for the horse prior to its next start.

S. Comments:Rider reported at scale that he lost the use of his iron coming out of the gates, which placed him at a disadvantage for a short distance after the start. When questioned regarding the improved performance, trainer reported that he was expecting a forward showing at the mare's previous start at Kilcoy, however she bucked and took no competitive part in the event. He also noted that she has good wet track form.

He added that the gelding travelled reasonably throughout the event, however when placed under pressure rounding the home turn failed to respond to his riding as he had anticipated and proved disappointing. Byrne stated that despite suffering interference at the start he had anticipated settling in a midfield position. He was of the view he was forced to cover too much ground rounding the home turn and that his mount finished the race off fairly over the concluding stages.
