S. Comments:Rider M. Cahill was questioned regarding his riding tactics in the early stages. He explained that he was instructed to settle the horse midfield with cover if possible, but from the wide barrier, after travelling a short distance, rather than be caught wide throughout, he elected to restrain to the rear of the field. Jockey Cahill added that BERGDORF worked to the line strongly and finished the race off well. He further added that in his view the filly will be suited over a longer distance and when able to take up a midfield position with cover.

S. Comments:Inquiry re performance. Rider stated that after travelling well in the early and middle stages of the race the filly failed to respond to his riding from the 400m and proved disappointing. He added that he advised connections the horse may be better suited to ridden more conservatively in an endeavour to have finish its races off. A post race veterinary examination revealed an abrasion to the off hind pastern and a poor post-race recovery.

S. Comments:Rider reported that the filly was a little tardy to begin and after endeavouring to ride the horse, it commenced to buck for a few strides. He said despite this he continued to urge the horse, however it refused to stride and was reluctant to stretch out and for this reason it was retired from the race. A post-race veterinary examination revealed the filly to be significantly lame in the near foreleg. Tnr. was advised that he will be required to produce a veterinary clearance for SAGATONA and it would be required to perform satisfactorily in an official barrier trial before starting again.

He added that the horse had pleased him leading into today's event and had expected a forward showing. Stewards noted the explanation.
