S. Comments: Stewards questioned Jockey regarding the amount of vigor he used on the horse over the concluding stages. Jockey said that the horse does not respond well to vigorous riding with the whip, and for that reason he desisited from using the whip over the concluding stages. Trainer expressed satisfaction with the riding of the horse and reiterrated that the horse resents the whip applied and explained that the horse has been ridden in a similar fashion at its most previous two starts. Both explanations were noted.
